No GBP profile; totally invisible on local map pack.

25% Tax
OTA COMM.
Bleeding heavy commissions on Hotels.ng & Trip.com.

94% Loss
INQUIRY DROP
Lost to zero search presence and phone verification friction.

✓ YOUR GENUINE STRENGTHS

Strategic Ikeja/Oregun Location:
Minutes from Kudirat Abiola Way, Daystar Christian Centre, Ikeja Mall, and Alausa Secretariat.

Full 3-Star Hospitality Amenities:
AC rooms, en-suite baths, sofa, on-site restaurant & bar, and 24h front desk.

Proven Aggregator Demand:
Active listings on Hotels.ng and Trip.com prove travelers actively seek your rooms.

Registered Corporate Identity:
Ek'abo Inn Nigeria Limited has a verified physical facility and recognized local goodwill.

⊙ WHAT YOU ARE DOING WRONG

Zero Owned Direct Website:
No website exists. Guests cannot inspect categories, check live rates, or pay direct.

Invisible on Google Maps (No GBP):
No Google profile. Searchers for Oregun hotels find competitors instead of you.

25% Commission Bleed to Middlemen:
Forfeiting heavy margins on every booking to OTAs instead of capturing direct bank deposits.

Zero Automated Post-Stay Review Reminders:
Staff never trigger automated review requests, keeping social proof at zero.

3. LIVE SEARCH SIMULATION (WHAT GUESTS SEE TODAY)

GOOGLE: `"Hotels in Oregun Ikeja" OR "Budget Hotel near Ikeja Mall"`

Top Rated Oregun Commercial Hotel • Google 3-Pack Pin #1 — 3-PACK DOMINATOR

`https://maps.google.com/local-pack/oregun-hotel-1`

★★★★☆ 4.4 Rating (64 Reviews) • Direct call and website booking links. Captures over 50% of corporate, shopping, and church guest inquiries in Oregun.

Kudirat Abiola Way Boutique Suites • Google 3-Pack Pin #2 — LOCAL PACK COMPETITOR

`https://maps.google.com/local-pack/kudirat-abiola-suites`

★★★★☆ 4.2 Rating (38 Reviews) • Live rates and photo gallery displayed. Steals visitors attending programs at Daystar and business meetings in Alausa.

Ek'abo Inn Nigeria Limited — 100% INVISIBLE

`https://maps.google.com/search/ekabo-inn-oregun`

NO LISTING FOUND ON GOOGLE MAPS. Zero Google reviews, zero geo-tagged photos, and zero map pins. High-intent travelers assume the hotel does not exist or has permanently closed.

4. THE EK'ABO GUEST DROP-OFF FUNNEL

Stage 1: Google Search & Maps ("Hotels in Oregun Ikeja") — 100 High-Intent Searchers

100 Searchers

Stage 2: Aggregator Discovery (Hotels.ng / Trip.com) — -62 Lost to Rival 3-Pack Pins

38 OTA Visitors

Stage 3: Phone Inquiries (+234 906 451 0867) — -22 Lost to OTA Banners & Friction

16 Callers

Stage 4: Confirmed Check-Ins at Ek'abo Inn — Net Conversion Rate: 6%

6 Bookings

5. CURRENT FRICTION VS. SALES COWBOY INFRASTRUCTURE

CHANNEL	CURRENT STATE AT EK'ABO INN	SALES COWBOY PROPRIETARY SYSTEM
Website & Checkout	Non-Existent. No website or online checkout exists.	Dedicated Mobile Booking Site with instant Paystack card & transfer checkout at 0% commission.
Google Maps Presence	Non-Existent. 0 Google reviews; invisible in local map searches.	Verified Google 3-Pack Dominance with geo-tagged room imagery and weekly search updates.
Room Availability	Blind calendar. Guests cannot verify open rooms without calling.	Dynamic Real-Time Room Availability Calendar Sync. 100% self-serve booking.
Review Generation	Completely manual. No post-stay follow-up triggers after check-out.	Automated WhatsApp Review Bot: Fires 2 hours post-checkout with 1-click Google review link.
Booking Inquiries	Manual phone calls only. Late-night calls go completely unanswered.	24/7 WhatsApp AI Reservation Desk: Answers inquiries and delivers payment links in 3 seconds.

6. PROPRIETARY SALES COWBOY TURNAROUND ARCHITECTURE

PILLAR 01

Direct Booking Website + Live Availability Engine

Launch ekaboinn.com.ng to capture direct guest payments at 0% OTA commission.

- Dynamic real-time room availability calendar
